

CARE PACKS

If you are interested in making care packages for patients at the Stephenson Cancer Center, our volunteers will be happy to distribute them throughout the facility for you! Surprising patients with a little something extra can help provide support and improve a difficult day.

Please follow the guidelines below if you are interested in providing such a donation to the Stephenson Cancer Center.

What do we accept?

- Individually wrapped, pre-packaged snacks (potato chips, crackers, fruit snacks, cookies)
- New personal hygiene items (sealed lip balm, lotion, hand sanitizer, shampoo, body wash)
- Crossword puzzles and writing pens
- Art supplies (crayons, coloring pencils, coloring books)
- New socks and hats

What do we NOT accept?

- Used stuffed animals or clothing
- Homemade goods
- Expired or opened food

Please contact our Patient Resources and Volunteer Coordinator if you would like to donate care packs to our Volunteer Program.
